

Manor Royal BID Volunteering Programme

Work for Wildlife Environmental Teambuilding Experiences with Sussex Wildlife Trust

Give your staff the chance to take part in important conservation work that supports the local wildlife and wellbeing of the community. Whether it is an informal teambuilding day or simply the chance for your staff to get together and put something back into the community, we have an opportunity for you.

On the Reserves – Crawler's Brook People's Park or Gatwick Woodlands

Step into nature and help Manor Royal be a place where people and wildlife can thrive together. Activities include Himalayan Balsam removal, coppicing and scrub clearance. Physical conservation work is the main part of the day whilst learning about the habitat, and the wildlife within it.

Digital Detox – Tilgate Park or Gatwick Woodlands

Help your staff wellbeing by connecting with nature, away from technology and the daily grind, with a bespoke teambuilding day. Unplug and make fires, learn to work with tools or get stuck into woodworking activities.

Manor Royal BID are helping to fund sessions exclusively for Manor Royal Businesses. For further information and book your session please contact Louise Collins on 01273 497522 or louisecollins@sussexwt.org.uk
