

From the B2100 (Marks Cross to Wadhurst) take the turning to Tidebrook/Mayfield at the Best Beech Pub.

Half a mile down the hill turn left into Riseden Road at the post box.

Follow Riseden Road – its name changes to Riseden Lane. After passing a series of ponds you will reach a crossroads. Continue straight on, through two stone gateposts marked “Wadhurst Park” and “Private”.

Continue along the drive until you come to a second set of gateposts with wooden gates - the gates will be shut. There is a security control keypad on the right-hand side just before the gates. Press the button for the Estate Office and wait until the call is answered.
